Red Line 500 Competition

Bay Aerials

2008

Next month we are hosting our Annual Statewide Gymnastics Competition, The Red Line 500 at Newark Memorial Events Center October 10-11. Teams from all over California will attend. Bring the family and watch our level 4,5, and 6s compete. Information is on our website. This is a fun family event.

Class Reminder:

Please get your child to class on time. We are very proud that our classes start on time, and it is a disruption to the on time gymnasts, and to the coach who starts the class. If you are more than 10 minutes late you are welcome to schedule a make-up. This is for your child's benefit. It is no fun jumping in after instructions or warm ups has begun.

Accomplishments

As your children learn gymnastics and get fit in our program, they also get the opportunity to learn in an environment filled with some of the greatest role models in our community. Our Team Members are the best examples for our children. Each day they demonstrate hard work, discipline, goal setting, and healthy competition. We are

proud to have them in the gym and in our program.

Our Compulsory teams (younger girls) are gearing up with new skills and new goals for their upcoming season this fall.

Drop off and Pick up:

Please note that you may not leave your child unattended before or after class. If you know you will be late for pick up, please phone the front desk. If you are late, please do not send your child off into the gym without a coach or someone who works at the gym. This is for your child's safety.

Referral fee

Bay Aerials has a referral credit of \$20.00. Refer a friend, let the front desk know, and we will credit you.

Payments

We take cash, debit, credit or auto pay. Payment received holds your spot in our monthly program. Payment is due on the 1st of the month and late after the 7th. If you know you will not be able to make the payment you have many options. You may mail, call it in or just sign up for Auto Pay. It is a safe and dependable way to pay on time.

We love gymnastics here at Bay Aerials and are proud that you are part of our family Thanks for your continued support!
